Dear Mr McMillan

NOTICE REQUIRING FURTHER INFORMATION
s38A of the *Environmental Protection Act 1986*

PROPOSAL: HENDERSON FACILITY DREDGING
PROPONENT: BAE SYSTEMS AUSTRALIA LTD

Thank you for your letter dated 13 April 2016 referring the above proposal to the Environmental Protection Authority (EPA) under section 38 of the *Environmental Protection Act 1986* (EP Act).

This means that the EPA is required to:

- determine the significance of the effect on the environment of the proposal, if implemented, and
- make a decision on whether or not to assess the proposal and, if the decision is to assess, the level of assessment.

The EPA considers that it does not have enough information about the proposal to enable it to make decisions on significance and appropriate level of assessment. Accordingly, the EPA requests that you, as the proponent, provide it with the following additional information about the proposal:

Proposal description

It is noted in the referral documentation that the total dredge volume excludes overdredge. Please confirm the total dredge volumes for the proposal.

Spatial Data

The spatial data provided with your referral does not seem to be complete. Can you please provide spatial data geo-referenced and conform to the following parameters:

- GIS: Polygons representing all activities referred under the proposal, attributed with name of the activity. Shapefile format preferred.

- CAD: Simple closed polygons representing all activities referred under the proposal. All polygons labelled with name of the activity inside each respective polygon. Dxf file format preferred.
- Datum: GDA94
- Projection: Geographic (latitude/longitude) or Map Grid of Australia (MGA).

Should you have any enquiries please contact the person cited above.

Please provide your response to this request for additional information by 26 May 2016. Please respond with either:

- a) the information requested; or
- b) advice that further information is not available and/or cannot be obtained.

Your response should be sent by email to registrar@epa.wa.gov.au marked for the attention of the person cited above, or by post to the Office of the Environmental Protection Authority, Locked Bag 10, East Perth WA 6892. Please quote the above "Our ref" on any further correspondence.

The EPA will not proceed with its assessment of your proposal until the information has been provided or it receives advice that the further information is not available and/or cannot be obtained. Once the information or advice has been provided the EPA will proceed to make its decision on whether or not to assess and if assess, the appropriate level of assessment, based on information derived from its own investigations and inquiries. You will be notified once the EPA has made a decision.

Yours sincerely

Anthony Sutton
Director
Assessment and Compliance Division
