

Red Legs Montage 1

Taken from VIA 1.
The view shows from a vantage point the eastern side of the Die Hardy Range including the location of Red Legs.

The above photo is a close-up of the view to the south which includes the Red Legs Deposit/Development Envelope and the Red Legs South Hill.

*Red Legs South Hill - hill immediately south of the Red Legs deposit/project area

Red Legs Montage 2

Notes Taken from the northern end of the ridge that runs along the top of 'Red Legs South Hill' (just north of VIA 3).
The view shows the Red Legs Development Envelope that will be visible from this vantage point and shows the southern end of the Eastern Limb of the Die Hardy.
