Dear Dr Vogel

REFERRAL OF A PROPOSAL TO THE ENVIRONMENTAL PROTECTION AUTHORITY UNDER SECTION 38(5) OF THE ENVIRONMENTAL PROTECTION ACT 1986

The Department of Environment Regulation (DER) has recently received an application from Mr Michael and Mrs Marilyn Guthrie to clear 20 hectares of native vegetation within Lot 1 on Plan 15482, Coonabidgee, for the purpose of pasture.

This proposed clearing is within an area subject to the Environmental Protection Swan Coastal Plain Lakes Policy 1992 which places restrictions on the construction or alteration of any system for the drainage of water into or out of a lake.

The underlying purpose of the attached application to clear is associated with the alteration of a drainage system. Accordingly, I have formally referred this application to the Environmental Protection Authority for consideration and determination.

A preliminary assessment of the principles outlined in Schedule 5 of the EP Act will be forwarded to you in due course.

Should further information be required, please do not hesitate to contact Mr Derek Jenkins from the Native Vegetation Conservation Branch on 6467 5030.

Yours sincerely

[REDACTED]
